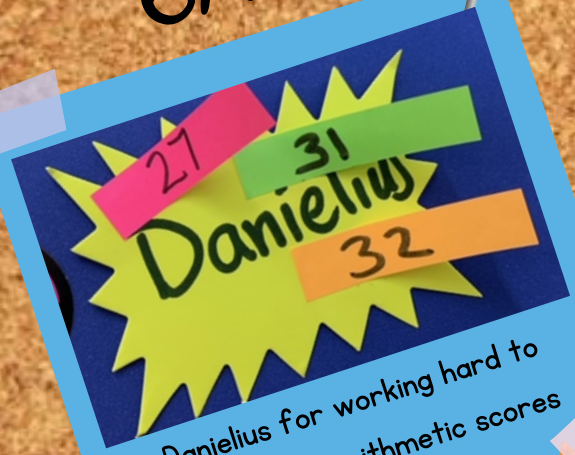
Leah for persevering in maths and putting a lot of effort into really trying to understand what we are learning. This has enabled her to finish her work independently. Well done!

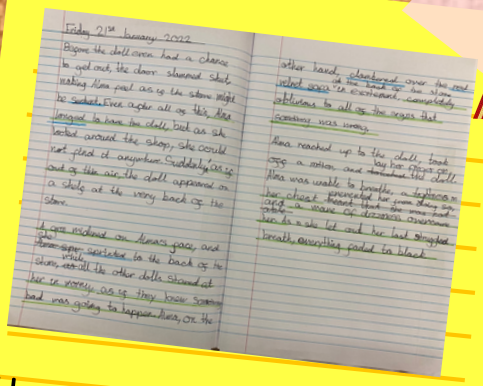
The presentation award for this week goes to.....

6A

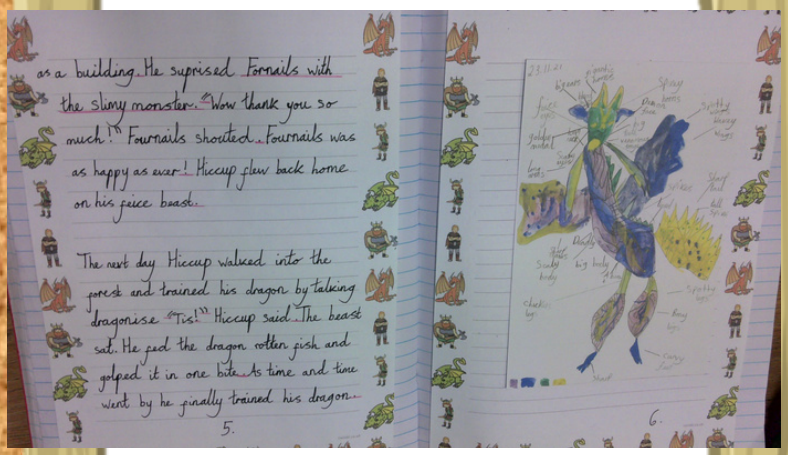


Danielius for working hard to increase his arithmetic scores each week.

6B



Hasan for his story writing in English. Well done!



as a building. He suprised Fornails with the slimy monster. "Wow thank you so much!" Fornails shouted. Fornails was as happy as ever! Hiccup flew back home on his feice beast.

The next day Hiccup walked into the forest and trained his dragon by talking dragonise "Yes!" Hiccup said. The beast sat. He fed the dragon rotten fish and gulped it in one bite. As time and time went by he finally trained his dragon.
