

### *Dinosaur Discoveries*

*Find non-fiction books at home (or in the local library) about dinosaurs. Bring them to school to share.*

*Search for ferns, yew trees, monkey puzzle trees and other prehistoric plants while you are out and about. Take some photos or make some drawings to share with your class.*

*Watch the birds in your garden or local park. Do you think they walk like dinosaurs?*

*Visit a tropical animal centre or shop to have a closer look at some modern-day reptiles. Take some photographs to show your class.*

### *Dinosaur Diaries*

*Take Dino the Dinosaur home for the night. Write his diary, sharing what he got up to!*

*Work with grown-ups at home to research and find more amazing facts about the age of the dinosaurs. Present your findings creatively.*

### *Dinosaur Designs*

*Create a dinosaur mask or hat!*

*Work with an adult to produce a dinosaur movie or show using toys, puppets or models. Evergreen bushes and a rocky or dusty area of your garden or local park would make a perfect film set!*

### *Dinosaur Divas*

*Share stories and poems about dinosaurs with your grown-ups. Take on the role of storyteller and get someone to film you!*

*Entertain your family and friends by reading them some side-splitting dinosaur jokes or astounding dinosaur facts.*

*Take part in a dinosaur reading challenge. Every time you read a book at home, you'll earn a piece of a cut-up dinosaur picture. Stick them within a dinosaur outline and see how long it takes you to make the whole picture!*
