

Harrow Lodge Primary School

Our Vision

Our vision has been born out of a knowledge and understanding of the children and families that live in our community, their needs and desires, their aspirations and goals and the need to develop a generation of students who will become valuable members of society, able to contribute to their community in a positive and respectful manner.

At Harrow Lodge Primary School, we aim:

- To provide a welcoming environment where children, parents, carers and staff are happy, healthy and safe and are valued for their individuality, culture and beliefs.
- To build a community comprising of children, parents, staff and governors where **everyone's** role is of equal importance and the success of the community rests on each person fulfilling their roles to the very best of their ability.
- To develop a community of kind and caring individuals who are dedicated to listening to the needs of others and working together as a team.
- To provide the highest possible standard of education so that all pupils, regardless of background, are challenged and achieve their full potential.
- To instil a lifelong love of reading and learning in our pupils through our enthusiastic and engaging teaching.
- To prepare our pupils as kind, knowledgeable, well-rounded individuals who are ready to meet the next stage of their education with positivity and confidence.
