

Make a scrapbook of Second World War images and write captions for each one. Consider how the people in the photographs may be feeling.

### Re-enact

Record a wartime radio broadcast. If possible, use an audio editing package to add sound effects, such as air raid sirens or overhead aircraft.

Dress up as an evacuated child. Make a gas mask box and write an evacuee label showing your name, address and school. Ask someone to take a photograph then print it with a sepia effect to make it look authentic!

Make do and mend! Can you revamp some of your old clothes to make new clothes? Maybe you could 'upcycle' some unwanted household items and make them useful in a whole new way! Bring them to school to show your classmates and share your ideas.

Find some wartime recipes and make a typical meal using foods that would have been rationed at the time. Can you work out the nutritional value of the meal?
