

### *Write*

*Write an exciting story about a rescue mission at sea. Remember to use some of the vocabulary you have learned.*

*Make a word search with the names of the coastal features you have been learning about.*

*Visit a beach that has rockpools then write a poem about the living things that make their home in a rock pool. An acrostic or shape poem would be fun!*

### *Research*

*Visit your local library to browse or borrow story or information books about the seaside. Write or film a book review about your favourite seaside book.*

*With an adult, use the web to research famous artists who have used the beach for inspiration. Present your findings creatively.*

# Home Learning Ideas!

## COASTLINE – YEAR 2

### *Make*

*Make a 3-D sea animal. You can use any material you like - perhaps papier-mâché, fabric, plastic bottles, clay, play dough or Lego pieces.*

*Design, then, draw, paint or build a picture or model of a lighthouse.*

*Create your own lifeboat or lifeboat station; you could use Lego or any materials you choose.*

*Make a miniature seashore using natural materials such as pebbles, twigs, sand and shells.*

### *Find*

*Bring pictures from home of yourself or family members at the seaside. Are there any of someone swimming in the sea? Identify the different locations on a UK or a world map.*
