21ST MARCH
ISSUE 10

Dear Parents and Carers,
The sunshine returned and put smiles on all our faces.
Here are this week's highlights:

- Monday was a St. Patrick special. Our Willow Class made delicious green cakes and generally splashed shamrocks around the school.
- Rom Skatepark came into school to drum up interest in skateboarding and they carried out some impressive skateboarding demonstrations that thrilled the children.
- Meeting with School Streets to ask us how we felt it was going. I reported that more scooting to school was being seen but also more dangerous parking on corners instead of using Tesco's as a convenient 10 minute parking space. I asked for a crossing where we used to have a lollipop man or some traffic wardens to stop dangerous parking and/or another crossing from Tesco's across that busy road. Don't think we'll get any of those but, if you don't ask, you definitely don't get.
- The DfE sent a team to carry out a 'Conditions Survey' for the SEND Unit we hope to open.
- Stay & Learn was a wonderful week as usual. Parents' feedback was lovely and so appreciative. Thank you all for supporting your children in this way and I hope it gave you an insight into the daily diet your child receives at school.
- 4A & 4B visited the British Museum on Friday to support their topic on Ancient Civilizations.
- EYFS wrote letters to the British Museum asking a wealth of questions about dinosaurs and then took a little walk up the road to post them in the post box. "What's a post box?" was heard by one of our little ones - they know how to send an email but not a letter!!
- Pressure is mounting as we get closer to phonics screening and SATs and teachers are filling every spare minute with reading, writing and maths practice.
- And that's it for another week. It just remains for me to wish you a wonderful weekend full of spring sunshine and warmth and I leave you with this thought:

"Remember - we are different but we are equal."

With kind regards and best wishes,

Mrs Searle

Stars of the week

R1 Teddy-Jacob **4C Sinachi**
R2 Dawud **5A Ali**
1A Dhyan **5B Diana**
1B Vinnie **6A Jacob**
2A Mia **6B Boe**

Next Sunday (30th March) two of our children, Kara and Summer Hadjoannou will be taking part in a swimathon in aid of Cancer Research and Marie Curie.

They will be swimming 1.5k (about 60 lengths) between them. If you wish to donate to this cause then please use the link below to their fund raising page:

<https://www.givengain.com/project/team-raising-funds-for-cancer-research-uk-marie-curie-and-swimathon-foundation-99976>

Good luck girls!
