28TH MARCH
ISSUE 11

Dear Parents and Carers,

Good afternoon and welcome to the news for this week. Here are the highlights

- Biffa, the recycling company, visited the children to talk about the importance of recycling and how we are now separating food in our bin system.

Congratulations to Dottie (3A) who won a pageant a few weeks ago.

Dottie has been taking part in pageants since 2022 and has won several titles. She loves wearing the beautiful dresses but the main part about being involved in the pageant world is being able to give to charity and that is something Dottie loves to do. It makes her feel very happy she is able to do something to help others. Dottie has now become an Easter Egg ambassador collecting eggs for the children with cancer in Queens Hospital and Lennox children's cancer charity. Well done Dottie.

- This Sunday (30th March) Kara (4A) and Summer (3A) will be taking part in a swimathon in aid of Cancer Research and Marie Curie. They will be swimming 1.5k (about 60 lengths) between them. See the link below if you wish to donate:
- 4C visited the British Museum and, as usual, excellent feedback was given to us about the children's behaviour.
- The Performing Arts Club visited the West End to see Oliver! the musical. Thank you to Ms Harrison for organising and to all the staff who helped with supervision.
- A warm welcome to Ms Ashour and Ms Jeyachandran who will be supporting teaching in 1B and 4A until mid-July.
- Y3 & Y4 were treated to their annual Road Safety Show.
- On Friday we had a non-uniform day in exchange for an Easter Egg which will be put into an Easter Hamper and raffled off by the PTA. Thank you for all contributions.
- Mother's Day stalls were once again set out by the PTA to enable children to buy something wonderful for their mums. Thank you for all the parent support.
- Mrs Bracken has launched another 'Life mimics Art' Competition. The children had a look at some previous entries so you'd best get browsing those 'Old Masters'!

- This week we opened our sand pit in the quad for children to use at lunchtime. A great big thank you to one of our parents, Mr Mallinder, for arranging a donation of scaffolding boards and poles from the company he works at. Our very talented Mr Welch was able to use these to build the sand pit for us. The children have loved the new addition to our OPAL lunchtimes. We just need a further 4 tonnes of play sand to fill it up completely which we will be fundraising for in the summer term.

- Don't forget that the clocks spring forward an hour on Saturday night (don't want any excuses for being late on Monday)!!
- And that's it for another week. It just remains for me to wish you a great weekend full of love and care for all mothers out there who do an amazingly brilliant job for no wages and very little appreciation. We salute all mothers and wish you a wonderful weekend and I leave you with this thought:

“Life doesn't come with a manual - it comes with a mother!”

With kind regards and best wishes,

Mrs Searle

This Sunday (30th March) two of our children, Kara and Summer Hadjioannou will be taking part in a swimathon in aid of Cancer Research and Marie Curie.

They will be swimming 1.5k (about 60 lengths) between them. If you wish to donate to this cause then please use the link below to their fund raising page:

<https://www.givengain.com/project/team-raising-funds-for-cancer-research-uk-marie-curie-and-swimathon-foundation-99976>

Good luck girls!
